Construct Pattern

Tape Pages 1 & 2 together horizontally matching the lines in the corners.

Tape Pages 3 & 4 together horizontally matching the lines in the corners.

Then tape Pages 3 & 4 under Pages 1 & 2.

Cut

Two pieces for the inside and outside of the wrap following the solid outside line.

Optional: I used a coordinating fabric to make it reverseable.

Cut bias tape to 20 inches or desired length.

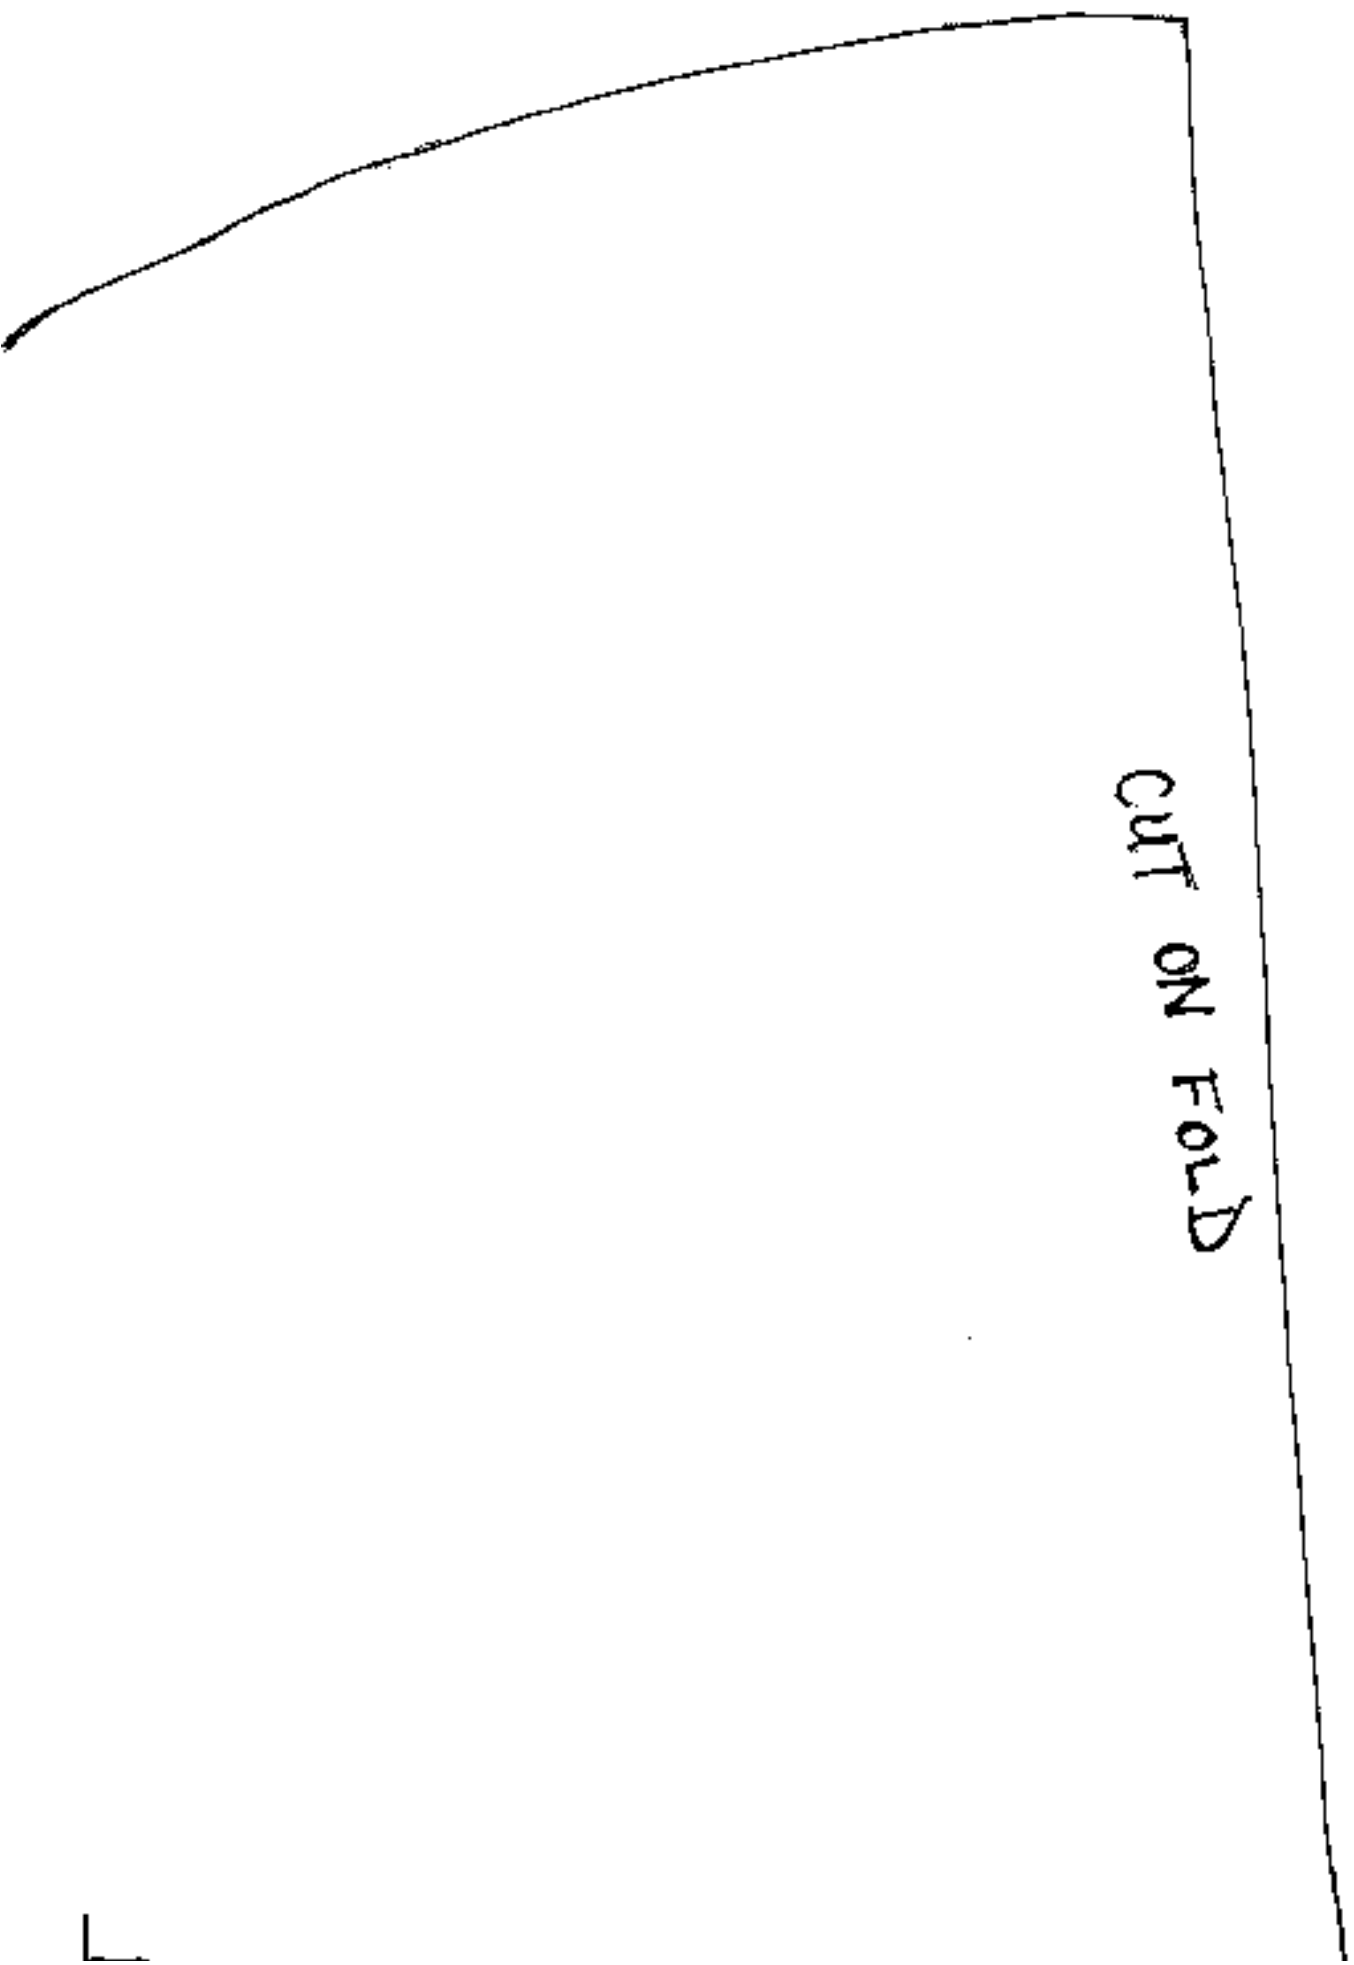

Sew: with ½ inch seam allowance.

Sew with right sides together sew all around leaving the neck open for turning.

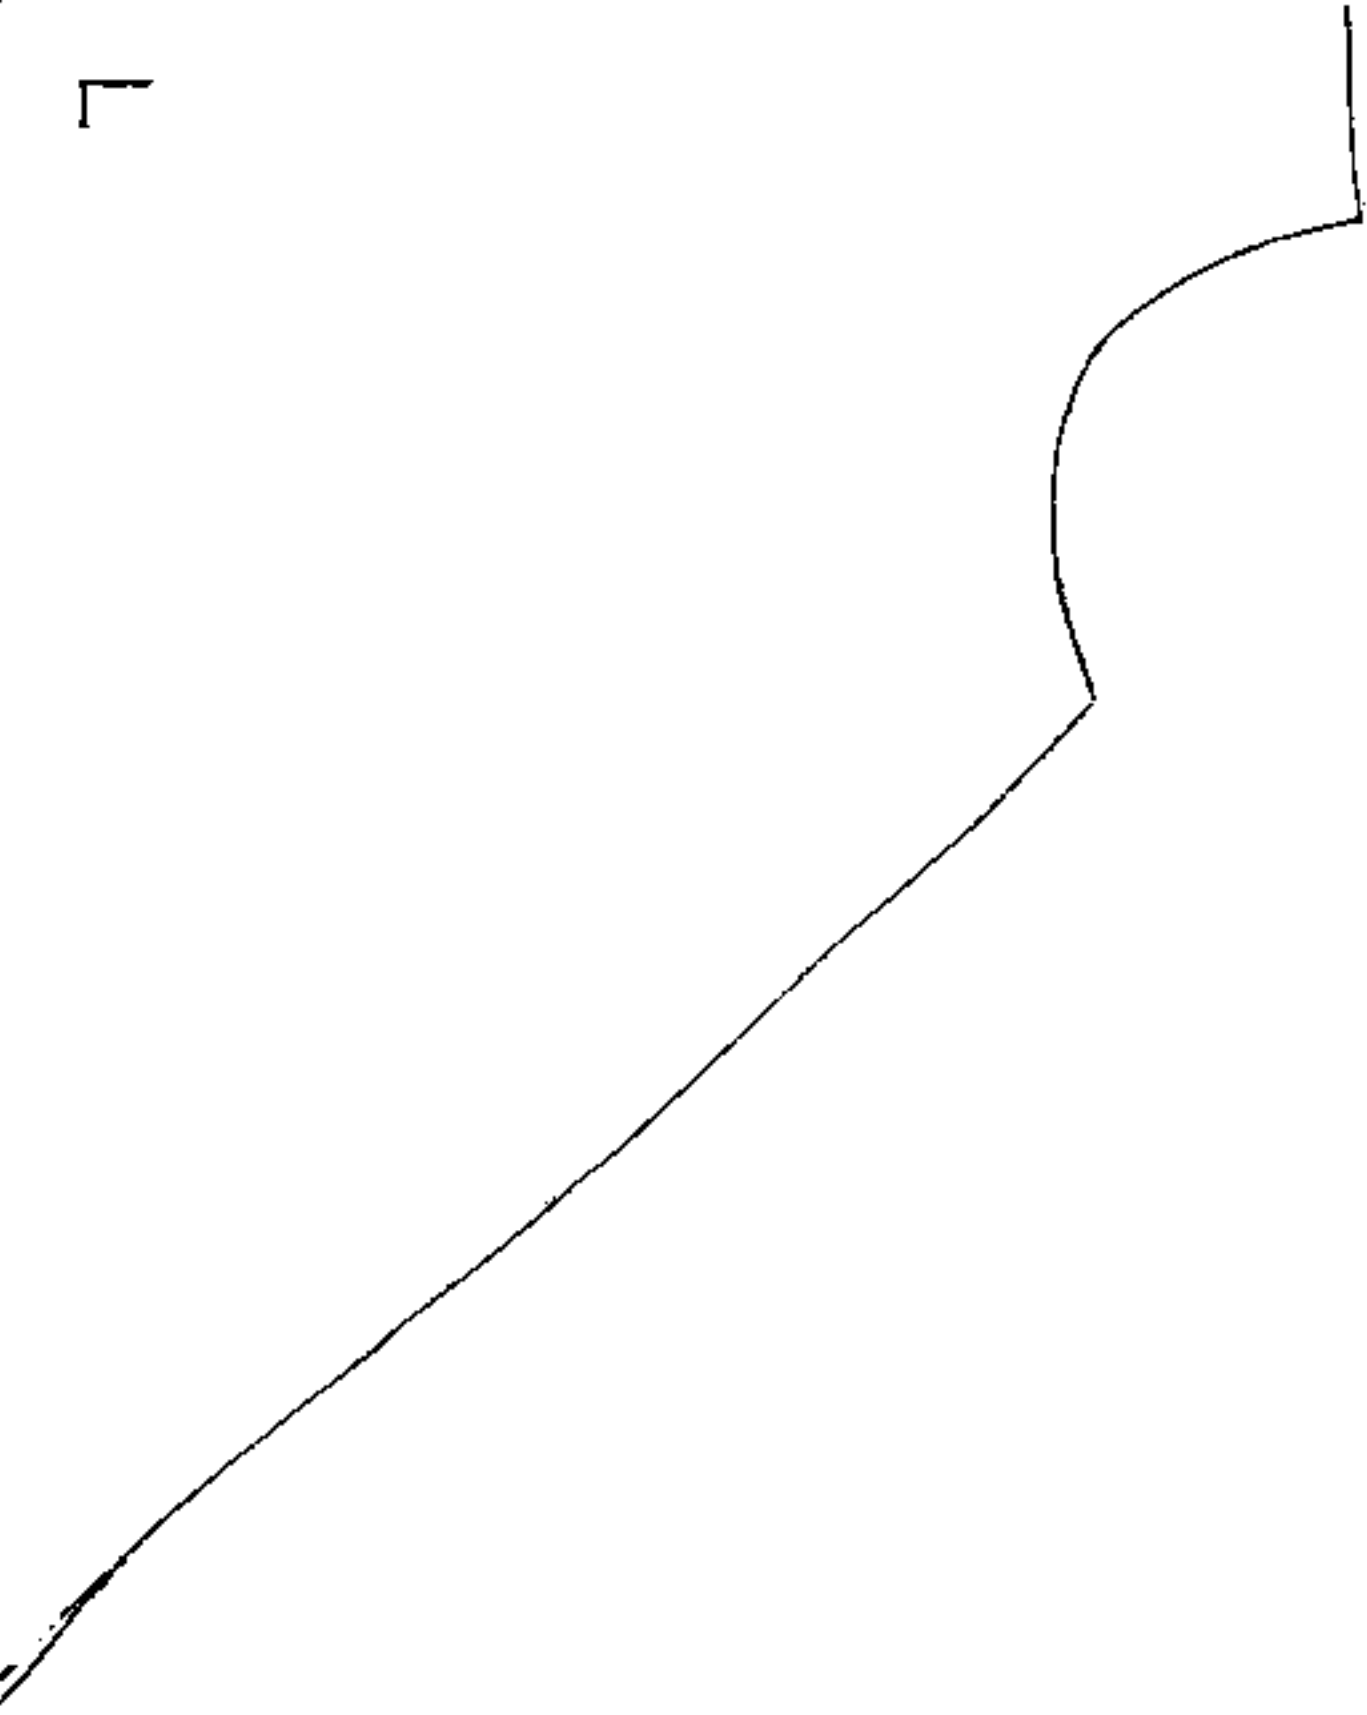

Clip curves. Turn right side out. Press.

Pin the middle of the bias tape to the neck line folding it along the opening. Begin sewing at one end of the bias tape and continue sewing all the way to the end of the 20 inches. In the middle, while you sew the bias tape in half your seam will be attaching the bias tape to the neckline creating the tie for the Salon Cape.
