Cut

Sleeping Bag

Option 1: Reverseable or Lined Sleeping Bag

Cut 2 Rectangular 20 inch by 23 inch pieces of fabric. Either the same or coordinating.

Option 2: Sleeping Bag

Cut 1 Rectangular 20 inch by 23 inch piece of fabric.

Pillow

Cut two rectangles 5 inches by 6 1/2 inches.

Sew: with 1/2 inch seam allowance.

Pillow

With right sides together sew around the edges leaving a three inch opening on the bottom to leave room for turning and stuffing. Turn, stuff as desired, hand sew or machine stitch the opening closed.

Sleeping Bag

Option 1: With right sides together, sew sides and top leaving the bottom completely open. Turn right side out.

Option 2: Turn the edges under and finish the sides and top edges.

Follow for all views:

Pin zipper whatever height you would like it. Sew zipper on the sleeping bag. Hand sew the opening from the end of the zipper to the bottom of the fabric.

With right sides together sew the bottom either with the zipper on the side or the middle.
